- VI.** President's Report: Cambridge, Massachusetts 2013 Annual Conference
A. Common topic panel: "Inclusivity and Invention"
B. Council of Presidents
- Ideas about what another chapter did with their common topic
Great time for discussion and ideas
Great to have our keynote (past national VP) who was part of that discussion.
Earlier Deadline is a good thing because we had a great submission turn out; no one
seems to mind that early. Better to be able to plan ahead.
Communications, events in the chapter: be sure to send the information to the
President (Joice right now) that are CMS related. Should we have a short blurb written out to
contribute a few times per year to get more participation?
Discussion on student participation. How do we reinvigorate that? Ideas: we want to
encourage students to offer paper presentations. Be sure to encourage graduate students to
participate with their research and also as student representative. Does anyone have any
suggestions from their program? Please send these names forward to Joice.
- VII.** Rocky Mountain Chapter Constitution
i. Topic: New election procedures and timelines through national office
ii. Previous changes in chapter structure that need to be incorporated into the
document

- B. Need to update elections verbiage. Why? Because we need to bring this up to national standards. Elections are now in an online system so that everyone who is a member of the chapter has their say as to who should be members of the board. Joice did not want to add dates to our constitution so we would not have to go back and change dates if they become an issue in the future.

Motion to accept this new verbiage and put it into the constitution: Brandon Matthews; David Montano 2nded, Passed Unanimously.

VIII. Future Conference Sites

- A. 30th Rocky Mountain Chapter Annual Conference
 - i. Need Invitations to Host 2015 and 2016

A Challenge to host, but a David Brinkman retiring and Holly Dalrymple maybe to host in Laramie? Maybe CSU to host in 2016. Keep thinking about this. It is possible to do it all in one place, if you don't have a lot of space. Guidelines on how to do this. Suggestions as to how to make it easier. Caterers, make a team, we will get a program committee chair, so you do not have to do that.

- B. 56th National CMS Conference
 - i. 2014: October 30-November 2, St. Louis, Missouri

IX. New Business
